Subject: The Ruse

I want to express my opposition to The Ruse (meaning: "an action intended to deceive someone; a trick.") plan on Grove Street. The very name laughs at our community, like they can get away with putting something like this in our midst, even though they're telling us in the name that they are tricking us.

Please don't let them get away with it!

I once lived in the Victorian to the left of the Honor House and loved the feel of being in a country setting and so near the down town. This is a slap in the face of the very word, honor and we don't deserve such treatment!
